

HIGHLANDER TOUR Itinerary

- **Coffee Plantation**
 - See how differently we grow coffee bushes here.
 - Hear and see coffee production from water arriving at the farm to the delicious coffee in the cup.
 - Have you been confused by all the choices in the supermarket? We will clarify it for you.
 - Meet one of our hard working migrant farming families.
- **Morning Tea**, is served at the coffee plantation
 - The local bakery makes special, wheat and yeast free banana bread. It is moist and extremely tasty
- **Tropical Fruit Winery**
 - You visit De Bruey's Tropical fruit winery, near Mareeba.
 - A tasting of a selection of wines are provided.
 - The winery produces five still tropical fruit wines
 - Lychee, Passionfruit, Mango, Jaboticaba and Bush Cherry
 - There are also three port style fortified wines.
 - Mulberry, Mango and Swagman
 - Three tropical cream temptations
 - Tropical, coffee and strawberry
 - And a Coffee Liqueur
- **Macadamia plantation**,
 - Learn about how the industry got started.
 - Hear about all the research and development.
 - See how they grow and harvest the macadamias.
 - See the macadamia sorting and grading equipment.
 - Taste Natural, Salted, Honey and Hickory Macadamias.
 - Buy packaged macadamias to take home.
 - Obtain a mail order form for later purchases.
- **Lunch**
 - A scrumptious lunch, with local produce, is included
Special dietary needs can be catered for.
- **Gallo Dairyland**
 - Gaze into the cheese factory, where Swiss cheese makers ply their craft.
 - Learn about the cheese making process
 - Taste their selection of lactose free cheeses.
- **Wild Mountain Cellars**
 - Once again, wine tasting is on the agenda.
 - Meet local characters, at a very unique winery
 - Wines here have names like
 - Possum's Pleasure Emu's Wish, and Casual Kangaroo
 - Fortified wines
 - Moonshadow, and The Ruins
 - Liqueurs
 - Rolling Thunder and Black Pearl
- **Lake Barrine**
 - Take a short walk to the 1000-year-old Twin Kauri Pines.
 - These mammoth trees have a diameter of 2.7 meters and some 50 meters tall
 - Enjoy Devonshire tea, on the veranda of the teahouse, overlooking Lake Barrine.
- **The Cathedral Fig Tree**
 - A 700-year-old strangler fig.
 - Nestled in World Heritage, Wet Tropics Rainforest
 - Rare "Mabi" Rainforest. Mabi is the aboriginal name for the tree kangaroos that live in the area.
